## First Climate Week 2025: UNFCCC Technical Meetings

### 1. Global Dialogue and Investment-focused Event on Mitigation Ambition and Implementation

ICC has the opportunity to nominate **four (4) business representatives for in-person participation and four (4) representatives for virtual participation** in the 5<sup>th</sup> global dialogue and investment-focused event under the Sharm el-Sheikh mitigation ambition and implementation work programme, which will take place in a hybrid format in **Panama City, Panama, from 19 to 20 May 2025**.

At COP26, Parties agreed to establish a work programme to scale up mitigation ambition and implementation. COP27, Parties set further details, including at least two global dialogues and investment-focused events annually through 2026. The upcoming dialogue will address enabling mitigation solutions in the forest sector.

**Should you wish to participate in this meeting in-person or virtually, please [let us know](#) by **Friday, 11 April, 14h CEST**.** The provisional agenda and further details can be found on the [meeting webpage](#). A live broadcast will also be available. In addition, information on the last dialogue, which took place in Sharm el-Sheikh, Egypt, in October, are available [here](#).

### 2. Third Dialogue under the United Arab Emirates just transition work programme

ICC has the opportunity to nominate **four (4) business representatives for in-person participation and four (4) representatives for virtual participation** in the 3<sup>rd</sup> global dialogue under the United Arab Emirates work programme on just transition pathways, which will take place in a hybrid format in **Panama City, Panama, from 22 to 23 May 2025**.

At COP28, Parties agreed on the implementation of the five-year work programme on just transition pathways (JTWP), established at COP27, with the mandate to hold at least two hybrid dialogues per year. The upcoming 3<sup>rd</sup> dialogue will focus on **“Approaches to enhancing adaptation and climate resilience in the context of just transitions”**. Details on the previous dialogues held in 2024 are available [here](#).

Should you wish to participate in this meeting in-person or virtually, **please [let us know](#) by **Friday, 11 April, 14h CET****, and we will come back to you to confirm what is possible. The provisional agenda and further details on the third dialogue will be made available in due course [here](#).

### 3. Global DNA Forum (CDM and Article 6.4 PACM)

ICC has the opportunity to nominate **two (2) business representatives for in-person participation and two (2) representatives for virtual participation** in the Global Designated National Authorities (DNA) Forum event, which will take place in a hybrid format in **Panama City, Panama, from 20 to 22 May 2025**.

The Forum will serve as the official launch of the “Article 6.4 DNA Forum” and provide opportunities for Party representatives to exchange views and share their experience related to the implementation of Article 6.4 mechanism and experiences from the CDM.

Should you wish to participate in this meeting in-person or virtually, **please [let us know](#) by [Friday, 11 April, 14h CET](#)**, and we will come back to you to confirm what is possible. For further information, please visit the [Climate Weeks webpage](#), where a detailed agenda for the Forum will be made available in due course.

#### **4. Implementation Forum and & NDC Clinic**

We have also been informed that, in addition to the mandated events taking place during the Climate Week in May, an Implementation Forum and a [NDC Clinic](#) will also be organised. More details on these events will be made available on the [Climate Weeks webpage](#) in due course.

Kind regards,

Clara
